

Flick

THE FIREFLY says,

IF YOUR CLOTHES CATCH ON FIRE...

STOP

what you're doing

DROP

to the ground

ROLL

back and forth
over the flame until
the fire goes out.

COOL

the burn with water

CALL

for help

PREVENT clothing fires!

- Never play with matches, lighters, or grill (fire) igniters.
- Stay a safe distance away from lit grills and campfires.
- Never reach across a stove when the burners are turned on.
- Keep a safe distance away from lit candles.
- Keep away from lit fireplaces, burning leaves and trash fires.
